

Welcome to the SMU Geothermal Lab "Make a Wish" newsletter for December. See if you can answer any of the wish list items below. Keep sending us items for inclusion in Keep5

- x loggingsuites
- x seismicdata

We can help you make these data available to graduate students and other researchers nationwide. Email [Maria Richards](#) to discuss the options available.

Did you know that the United States Department of Agriculture has a Rural Energy America Program (REAP) that pro
