Director's Chair

For the past year, 2012-13, I have been fortunate to have worked with a group of exceptional women and men who have made a significant impact on our program. I have been particularly impressed by the dedication and hard work of our faculty and staff. I have also been inspired by the passion and commitment of our students. It has been a privilege to work with such a talented and dedicated group of people. I look forward to continuing to work with them in the future.
