Dear Parents and Families,

We hope this message finds you doing well and that you are looking forward to spending time with your loved ones and friends over the holidays. We are excited that your student is interested in participating in the [Interfraternity Council's](#) (IFC) recruitment process at SMU and look forward to seeing them in a few weeks. This letter outlines important information about the formal process in which your student is registered to participate next month.

IFC is the governing council of ten fraternity chapters at SMU, many of which are affiliated with the [North-American Interfraternity Conference](#) (NIC). IFC as a collective body stands to promote the fraternal experience through inter-fraternal collaboration, personal and professional development, and the betterment of the community. Residential Commons will open on January 5, 2024, but students will not need to return to campus for IFC recruitment until **Friday, January 12th, 2024**. Students participating in IFC recruitment should communicate their return date with their residential commons.

For men registered to participate in recruitment, these dates are important:

Saturday, January 13, 2024: Orientation & First Round

Sunday, January 14-Friday, January 19th, 2024: Invitational Events

Saturday, January 20, 2024: Bid Day
